Uncleared Personnel Pool

Reference: Memo to Deputy Executive from Chief, Admin. Staff, subj:
Establishment of uncleared personnel pool, dtd 16 Jan. 1950

1. In accordance with recommendations made in reference memo, authority is hereby granted for the establishment of an uncleared pool of personnel awaiting security clearance for full time permanent employment by this Agency, subject to prior I&S security approval in each case.

2. The size of this pool will be governed by the following factors:

a. Availability of space not essential for the normal activities of this Agency.

b. Capability of useful employment of individuals in the pool while awaiting completion of security clearance procedures.

3. If practicable it is considered desirable that all uncleared personnel, excluding uncleared pools requested by covert activities, be housed and controlled in the same space.
